Re: Subscription of Clinical Chemistry Programme (RIQAS Cycle 23)

Dear Laboratory Manager

On behalf of HKIMLSQAP, I would like to take this opportunity to thank you for your continuous participation in the Clinical Chemistry Programme.

Due to inflation and the price increase of the proficiency testing material, it is necessary for HKIMLSQAP to slightly uplift the subscription fee for the Clinical Chemistry Programme to \$5,000 and \$300 local delivery charge of survey materials.

Please return the registration form by facsimile (Fax No: 2124 2798) to us on or before **4 September 2025**. Invoice will be issued upon receipt of registration form. If your laboratory requires a quotation before settling of payment, please indicate in the registration form.

Please note that a surcharge of \$1,000 will be imposed if confirmation is received between 5th to 14th September 2025.

Please do not hesitate to contact me if you have any queries.

Yours Sincerely

Albert LI
